## Presentation and Goals

The Doctoral Consortium provides a venue for student researchers investigating topics in Natural Language Processing and Multimedia Information Retrieval to present their work in progress and to receive feedback from a panel of senior researchers.

This event aims to explore, discuss and broad ideas. The forum includes an invited talk and two specialized mini-workshops open to a general audience.

## Venue

All sessions and talks will be held in different rooms at UNED's Facultad de Educación. This faculty is located in the northern part of Ciudad Universitaria, between the A6 highway and CIEMAT.

## How to arrive

Address: Facultad de Educación. c/ Juan del Rosal, 14. Ciudad Universitaria. E-28040 Madrid.

Bus lines: U, 83, 133, 162, F, G

Metro: Ciudad Universitaria (L6) + a 15-minute walk
